

## 8.6. Transfer

### 8.6.1. Fundamental Rule.

**Rule:** It is a Fundamental Rule of the Association that a student must attend the high school in the high school attendance boundary within which the Joint Residence of the student and the student's parents is located. Exceptions to this Fundamental Rule are to be narrowly construed.

**Rationale:** A transfer/residency requirement: assists in the prevention of students switching schools in conjunction with the change of season for athletic or activities purposes; impairs recruitment; and reduces the opportunity for undue influence to be exerted by persons seeking to benefit from a student athlete or activities participant's prowess.

A transfer/residency requirement: promotes stability and harmony among member schools by maintaining the amateur standing of high school activities participants; by disallowing individuals other than enrolled students to participate; and by upholding the principle that a student should attend the high school in the district where the student's parent(s) reside.

In addition, a transfer/residency requirement: prohibits foreign students, other than students who are participants in an established foreign exchange program accepted for listing by the Council of Standards for International Educational Travel (CSIET), from displacing other students from athletic and activities opportunities.
